**CUBAN**

**Speakers: Attorney Gen. Ramsey Clark & Michael Smith**

Gerardo Hernández, Ramón Labañino, Antonio Guerrero, Fernando González y René González, the Cuban 5, were arrested by the F.B.I. on charges of criminal conspiracy against the U.S. government. However, in their defense, the Cuban 5 claim that the real reason for their imprisonment was that they infiltrated and gathered information against Miami's right-wing groups in order to prevent terrorist attacks against Cuba. The Cuban 5 have been imprisoned for more than 13 years – for defending the sovereignty of their homeland. Learn more about the international campaign to free them. Speakers include former Attorney Gen. Ramsey Clark & Civil Rights Attorney Michael Smith (co-author, "Who Killed Che: How the CIA Got Away with Murder," "The Emerging Police State," Law and Disorder Radio, WBAI)
