Dear Sirs,

I urge you to grant entry rights to:

- Olga Salanueva, wife of René González, reg.#58738-004, who is currently in F.C.I. Edgefield, South Carolina, and to
- Adriana Pérez, wife of Gerardo Hernández reg.#58739-004, who is currently in U.S.P Lompoc, California.

These women should be able to visit their husbands in the U.S. People around the world are aware of this case and a growing movement is demanding justice for the Cuban prisoners in the U.S. and visitation rights to their loved ones. This is a simple matter of keeping families together.

Sincerely,
